Sir,

With reference to your letter No.G.9948-55 of the 20th January 1917, forwarding for opinion, an extract from the resolutions passed by the Kadur and Hassan Motor Association, on the subject of providing lock-up garages at all Travellers' Bungalows, I have the honor to state that with the exception of a few Travellers' Bungalows situated in important centres, the rest are mostly used only by the District and Provincial officers, but very rarely by others, and it is unnecessary to provide each of the latter with a motor garage. I think that for the convenience of the public, it will be sufficient to provide lock-up garages for only the more important of the travellers bungalows in each District.

2. The undermentioned Travellers' Bungalows of the Bangalore District may be provided with such garages.
